The DPL Group is pleased to announce a new standardized hardware price plan for its Canadian Hercules *Plus* GSM and CDMA customers based on the following volumes:

Accumulated Hardware Purchased	Hercules <i>Plus</i> Canada, GSM	Hercules <i>Plus</i> Canada, CDMA
1 – 49 units	\$300.00 (\$50.00 Savings per Unit)	\$330.00 (\$55.00 Savings per Unit)
50 – 99 units	\$300.00 (\$32.00 Savings per Unit)	\$330.00 (\$35.20 Savings per Unit)
100 – 149 units	\$300.00 (\$13.00 Savings per Unit)	\$330.00 (\$14.30 Savings per Unit)
150 – 199 units	\$285.00	\$313.50
200 plus units	\$270.00	\$297.00

This change will become effective on September 15, 2010.

The DPL Group has always strived to offer the most competitive pricing on both our hardware and our monthly messaging services while maintaining our “no long term contracts” position. We recognise that in these economic times everyone is looking to reduce business operating costs so as a thank you and a show of our support for your businesses, we are offering our assistance with the enclosed reduced hardware costs.

As always, we will continue to offer the same great quality product and service. Should you have any further questions please feel free to contact us at 800-561-8800.

Kindest regards,

The DPL Group Team
